

Cody Lee Dean Memorial Scholarship

Cody Lee Dean was an avid mechanic who loved to tear things apart and put them back together better than they were before. Cody attended the Power Tech program from 2016–2018. The skills and knowledge he learned there, along with his own, gave him the opportunity to take on many job offers after graduating high school. Cody was very proud of his education and certificates he earned at A-tech and used them in his everyday job, at home or when giving anyone he could a hand. Cody was well known in Northeast Ohio for his passion and skills with engines and equipment. In honor of Cody, this scholarship will be awarded to a senior at A-tech in the Power Sports and Outdoor Equipment program who has the same drive and ambition to jump into the workforce after graduation.
