## **THE ASHTABULA HIGH SCHOOL CLASS OF 1953 CAREER GRANT**

### **BIOGRAPHY**

The Ashtabula High School Class of 1953 was a diverse class that had many successful graduates. Some 1953 graduates chose to pursue post high school career/vocational paths while others went on to graduate colleges, some obtaining master and doctorate degrees.

In March of 2018 the Class of 1953 established the Career Scholarship to assist students who graduate from Lakeside High School and A-Tech.

In an effort to assist more students the Class of 1953 is establishing the Career Grant for students graduating from Lakeside and A-Tech and are going into the work place instead of pursuing post-secondary education programs. The Career Grant will complement the Class of 1953 Career Scholarship.

### **PURPOSE**

The Class of 1953 has established the Career Grant to give cash grants directly to Lakeside High school graduates who have also received their Career Passport from A-Tech and chose to go into the workforce instead of pursuing post-secondary education.

Priority will be given to qualified applicants enrolled in the following programs at A-Tech:

- Automotive Collision Technology
- Automotive Technology
- Carpentry
- Construction Technology
- Cosmetology
- Electricity
- Horticulture, Landscaping, & Parks Management
- Multi-Media
- Power Sports & Outdoor Equipment
- Precision Machining & Manufacturing
- Welding

The grant will provide up to \$750.00 for each selected applicant and is to be used for purchasing needed supplies, uniforms, safety shoes, glasses, tools, instruments, certifications, etc. required at their place of employment.

Applications will be made available in the Lakeside High School and A-Tech Guidance Office's as well as both school districts websites.

**DUE: APRIL 17, 2021**
